Setouchi-San'in

Short Cruise Guide

瀬戸内・山陰ショートクルーズ

Wonderful view over the Sea of Japan

San'in Area

Tottori Prefecture / Shimane Prefecture

The San'in coast and Oki Islands, which have been certified as a geopark, are characterized by scenery formed by connected strange and giant rocks, creating a masculine sense of scale. There are extensive cruises that allow you to view the San'in, rich in variety, from the ocean.

Tourist Information for Tottori Prefecture <https://www.tottori-tour.jp/en/>

Tourist Information for Shimane Prefecture <http://www.kankou-shimane.com/en/>

Beauty of the many islands of the Seto Inland Sea

Shimananami Area

Hiroshima Prefecture

Various silhouettes of overlapping islands in this distance make this one of the best sightseeing zones in Setouchi. Also, the area has numerous historical sites, including ports waiting for better sailing conditions, and the home of Suigun (Japanese medieval pirates). We recommend viewing the bridges from a boat after enjoying cycling.

Tourist Information for Hiroshima Prefecture <http://visithiroshima.net/>

Thrills like nowhere else, Experiences like nowhere else.

San'in

Characterized by the coastal beauty carved by the harsh waves of the Sea of Japan, majestic and rich in variety. Part of this area has been certified as a geopark.

Uradome Coast

The beautiful coastline certified as a geopark is called a museum for geography and geology.

Okii

The magnificent scenery created by nature is wonderful.

Lake Shinjiko

Many couples visit for the beautiful evening view.

Ushimado

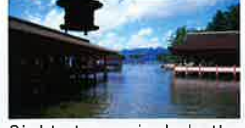

The Aegean Sea of Japan is filled with resort-like areas.

Tomonoura

This is a land of adventurous spirit with many charms of the old port town remaining.

Itsukushima Shrine

Sights to see include the floating shrine and the crimson O-torii gate.

Shunan Industrial Complex

The night view of this industrial complex looks almost like a zoo.

Setouchi

The Seto Inland Sea, consisting of many islands, is Japan's first national park and home to many sightseeing spots.

Hiroshima Bay Area

Bisan-Seto Area

Yamaguchi Area

Shimanami Area

Setouchi Cycruise PASS®

The Setouchi Cycruise PASS is a fare discount card for cycling tourists to use passenger boat routes to travel around the area. The service allows you to enjoy both cruising and relaxed, comfortable cycling.
